

MARKHAMS

CHARTERED ACCOUNTANTS & BUSINESS ADVISORS

PRACTICAL ACCOUNTANT

We need another experienced practical accountant. If you're an AT or equivalent and if you have had significant experience in an NZ CA's office then you may be our person. This full time position involves taking primary responsibility for accounting, taxation and associated needs of a portfolio of small to medium sized business clients and their associate entities. You'll know if it's you we want!

All of the latest processing facilities are available. A working knowledge of Banklink, Solution 6 and Xero would be helpful but full training will be provided where needed.

Salary will reflect your ability and attitude – we want someone who will play their full part in our up-to-the-minute central city office.

If working for us appeals, and you meet the above criteria, please

Email your CV to:
